### From Our Presidents' Pens

It is a rainy, windy West Coast Autumn day and one that gives a legitimate excuse to spend time in our sewing rooms doing what we all enjoy: quilting!

Our October meeting brought us the Second Annual Garage Sale. Bargains galore were snapped up! A huge thank you to the Program Committee for the many hours spent organizing and implementing the many interesting events our Guild enjoys.

Having done Judy Farrow's "Take a Leaf" Class, I know those taking this class the end of October will love the creativity it offers.

November promises to dish up equally fun events. The Travelling Trunk show of the Vivacious Ms. Barbara Root will be offered at the Guild meeting. And we are going to Quadra once again on a RETREAT! Please don't let husbands and significant others realize how much fun this is. Don't forget that the balance owing for Camp Homewood will be due at the November meeting.

November will also bring our newcomers' tea, at a date still to be finalised. We look forward to meeting you all. And lastly before we come down from our Quadra "high" there will be Margaret Miller's Easy Pieces class the beginning of December.

I hope many of you have taken up the challenge of helping out the Fives Acres Alternate School by making a Gift Bag. For myself I count my many blessings and this small effort can make a momentous difference in a young person's life, and takes little time on my part. Remember they are needed at the Nov. Meeting.

We will hold an interim election of Executive Officers at our next meeting to fill the vacancies that have arisen. We hope that there will be willing souls to take up the challenge and remember, if assuming a role on your own is daunting, do it with a friend or your satellite group. At this writing Barb Root is willing to stand for Vice-President; Sue Thurmeier and Dianne Bush will collect the monies at the evening guild meetings. As you are aware, Janice Cosens is moving across the water to the Lower Mainland, thus creating a vacancy for the Boutique Committee. The boutique has been an excellent venue for a number of members to sell their creations. How nice it would be if one, or more, of those ladies would consider volunteering to run the boutique committee. *Eimear Keane and Avril Valentine*

### Program Committee

Thank you to all who participated in the Garage Sale and thanks to members who stayed with their tables for the evening meeting.

The Judy Farrow 'Take a Leaf' Workshop is now full, thanks to a new member coming forward. We will be welcoming about four members from other Island Guilds to this fun and informative workshop, thanks to their response to open spaces.

If you are thinking about taking one of the other workshops offered, please sign up now; the registration form is attached. We encourage you to go on the waitlist, even though some of the workshops are now filled. The sign-up so far has been fairly fluid...and the **RULE** is '**no refund will be made unless we can fill your spot from the waitlist**'. So, waitlist is good!

With a membership of over 200, we should easily fill 20 places in any workshop. All of our instructors are top notch teachers and every one of them makes the learning experience a fun time. Every workshop should appeal to all levels of quilters....so don't be shy about trying something new and different. **Policy on refunds for workshops:** All workshop refund cheques will be available at the Guild meeting **FOLLOWING** the workshop date, and ONLY IF YOUR SPOT HAS BEEN FILLED.

We hope that having samples of the Instructors work on display at the Guild meetings will encourage and inspire you to sign on. Feedback has been positive about this

*(continued on page 2)*

(continued from page 1) feature. The instructors have been very generous in allowing us to put their work on display.

On a final note, we announced at the October meeting that we have begun our research for next year's workshops. We are really excited to have been able to confirm Sharon Pederson for November 2008. To become familiar with Sharon's work, go to [www.sharonquilts.com](http://www.sharonquilts.com) We have several options for workshops with Sharon; Sensational Sashiko is intriguing, Colour for the Terrified Quilter is amazing and Reversible Quilts would be a treat. How about a vote from the members for the most desired workshop from this amazing teacher? Send me an e-mail, leave a note at the next Guild meeting, or let any one of the Program Committee know what interests you the most.

UFO Challenge Forms are still available, you can print one from the September newsletter or pick one up at the November meeting. Hand in forms by the November meeting please.

**Don't forget the Barb Root Trunk Show at the November meeting!**

Your Program Committee Audrey Hale, Lillian Charron, Cathy Welte, Barb Root, Sharon Martin, and Sydney Lloyd, Renee duPlessis, Sue Thurmeier and Bonnie Dormuth.

## Trips and Retreats

For all those going to the November retreat on Quadra island, please bring your payment balance to the November guild meeting (or send it along with a friend). Information sheets are available to let you know what to bring and how to get there - be sure to pick one up if you haven't already done so. This year we're planning on having a "games night" for all who wish to participate. We will be including "Quilters' Bingo", so please have a bingo card (or two) ready; these will be made up into donation quilts along with what we collect from the Christmas potluck. For all who want to make a wreath for their front door, just bring a wreath form - grapevine or greenery, and you'll be able to fill it from my box of "stuff" (Christmas picks and ribbons) that I'll be taking to retreat. We are still working on getting a massage therapist, and you'll be contacted by Angela McKenzie about booking a massage. Lastly, don't forget to bring something for the silent auction, and some money to buy the goodies.

Our trip to Houston is over half full and we have just gone out to the other island quilters inviting them to join us. If you still want to go, don't delay, give Sue Artuso or me a call soonest - we may still have a space for you. *Submitted by Bonnie Dimitry on behalf of Cathy Welte, Lillian Charron, Angela McKenzie, and Sue Artuso*

## Library News

The November meeting is the last chance to checkout books for the 2007 year. There will be no library in December due to the potluck dinner. All books checked out in November will be due in January, 2008.

If you have any overdue books please turn them in at the November meeting to save yourself additional late charges.

Thank you to Mary Wasley and Liane Mahugh for their donations to our library. Thank you to all our helpers who make the library run so smoothly. New magazines are always arriving. If you have any requests please jot them in the wish-list book at the library desk. *The Library Team*

## Quilt Bee for Haven: Saturday, January 26, 2008 Kiwanis Lodge 9 am to 4 pm

Our Teams are now completed. Anyone not signed up already can go on a waiting list. A couple of teams have only two members and they might be able to accommodate one more person, so if you are wishing to join us for the quilting bee, give Cathy or Lillian a call and we will do whatever we can. If you cannot join us for the bee, and would like to make a quilt for Haven House, we will provide the backing and batting. This is a fun day and we are looking forward to seeing all the beautiful quilts when they are completed. Remember to bring your favourite dish to share for the POTLUCK lunch that day. The batting and backing will be available at the November guild meeting. Patterns were available at the October meeting and will be available also in November. Happy Quilting....*Lillian Charron and Cathy Welte*

## Donation Requests

Our Guild has contributed many quilts to all kinds of causes over the years, and the number of requests is increasing.

We want to know how guild members feel we should deal with requests. Now each one is looked at on an individual basis. It can be difficult to ask for more quilts, in addition to those we already make.

So, what to do? How do we reconcile our pleasure in helping out with the undeniable fact that we can't possibly support everyone who asks? Should we continue as we are, with requests being read out at each meeting? Or should we try a different approach?

One suggestion: at the beginning of each guild year, the membership should determine how many requests we can handle in that year. Then, requests could go, via the president, to the Comfort Quilt Society who could decide which requests to honour. There was also a suggestion that the guild might financially assist

those who make some of these requested quilts. Obviously this would require documentation of purchases, and the guild could only do this for a limited number of quilts.

We really need input from you on this. We are asking you to think about these ideas and submit any thoughts or alternative ideas via e-mail or at our November guild meeting, where we will be discussing this topic. *Avril and Eimear*

These labels are to be sewn on the backs of all quilts for donation and before they are given to the Comfort Quilt ladies. We also have a selection of batting and backing available for those who need it.

Again, a big THANK YOU to all who donated quilts at the October meeting.

*Val Ansell, Barbara Clement, Holly Wells*

### Visiting Quilts

If you have an old or interesting quilt (preferably with a history), please consider lending it to the Visiting Quilts program. Over the next 7 months, the Scrappy Bags group will be displaying these quilts at various seniors' residences in the area. Please bring your loaner(s) to any guild meeting. We have some draw prizes for those who lend us their quilts.

*The Scrappy Bags*

### Placemat Committee

Every year our guild members make and donate almost 200 placemats to Meals on Wheels (Nanaimo & Ladysmith), and the Telephone Visiting Society. This is a great opportunity to try those quilt block patterns. Placemats should measure 12" by 18" which is the Meals on Wheels tray size. The Guild provides the batting, precut to approx. 13" by 19". It is requested that you use a Christmas patterned fabric on the reverse. The placemats are delivered in early December, so should be handed in at the November meeting. Thanks for all your support in bringing some cheer to those less fortunate in our communities.

*Georgia Zieglmeier & Chris Mousseau*

*“Journaling Portal-Opening A New Door to Quilting”*

A Journaling project called “Creative Quilting, The Journal Quilt Project” was started five years ago by Karey Patterson Bresenhan and is coming to a close this year. Nearly a thousand quilters participated and they created nearly 6000 pages. Now it is our turn. We have seen the talent and the creativity we have in our area and in our Guild.

After the excitement and exhaustion of the Material Madness Quilt Show we could all use a small project that allows us to play. With the many new ideas, maybe too many, that we saw at the show, discovered through courses or just browsing through quilt shops and magazines you can now have these ideas take flight and use them for the Challenge. Rules are as follows for Novice or Experienced.

- Dimensions are 8 ½” wide X 11” long- or the size of a regular piece of paper. Please use it in this manner as we hope to put all the entries into the form of a Journal. Use any base you wish to create your page, eg: Timtex, paper, fabric, Lutradur, Tyvec, dryer lint, just to name a few.
- Use one “NEW TO YOU” technique: possibly one that you read about or saw in a class. For example: foiling, beading, free motion stitching, photo transfer, burning tools, stenciling, fabric painting, or EQ programs creations.
- Follow a theme—or Not!
- Use what you have. Try using a piece of fabric or an embellishment that has been sitting in your stash just waiting its turn. It’s time!
- Incorporate one thing BLACK into your piece. It doesn’t matter the size (a black bead, fabric, pigma pen letter or a drawing etc.) to ground your work.
- Place a letter, word or sentiment any size, any place, any how on the front of your creation. Please don’t use your name: a first or last initial would be all right.
- Use as many layers as you wish—batting is not required, however the piece must be held together by some stitching. Finish the edges or keep it raw and natural: your choice.
- You can make more than one entry. They are to be turned in at the April Guild Meeting (or the Snowbirds can make arrangements with me) The entries will be displayed at the May meeting.
- Questions??? Contact Lorie Rogers at 250-756-6599 or 729-9966 [lorie.rogers@shaw.ca](mailto:lorie.rogers@shaw.ca)

## Minutes of General Meeting October 17, 2007

Meeting called to order at 1 p.m.

Hospitality: Val Ursulak introduced five visitors. The new members tea will be in November (date TBA) for all new members who have joined from last spring to the present. Val asked satellite groups to give her their information so she can update the satellite group list.

Ongoing Business: The issue of quilt donations will be on the agenda for the November guild meeting. We need as much input as possible. Please think about this and let the executive have your ideas. Irene Wright, honorary life member, recently passed away. Our Christmas donation of gift bags to Five Acres School should be brought to the November 21 meeting. (see page 4)

Gabriola Quilt Raffle: Karen Hatton and Sue Vohanka displayed a beautiful quilt made by the Gabriola Quilters, a raffle prize to raise money for the Gabriola Health Society to fund a Gabriola medical clinic.

Boutique: Janet Cosens is leaving the Boutique position as she is moving. The

election to fill this position will take place at the November meeting. Brechin United Church is having a fair at the end of October to raise funds for a new roof. Our guild could have a table for \$25 to sell articles. No commitment was made at this time.

Challenge: Lorie Rogers introduced the 2008 challenge. Instructions will be in the newsletter and she also has copies. Entries are due at the April meeting and display and voting will take place in May

Treasurers Report: Dalle Proft gave us the report covering Aug.01/07 to Sept. 30/07 Total revenue: \$5,558.52 Total expenses: \$3,050.65 Net income: \$2,507.87 Moved by Dalle Proft, seconded by Sue Artuso that report be accepted. Carried.

Visiting Quilts: Lynn Bentsen from the Scrappy Bags reminded us they are looking for quilts to be loaned to them for the visiting quilts program. Also there are still CD's of the quilt show available.

Quilt Bee: Lillian Charron informed us there are still a few spaces open for the

quilt bee January 26, 2008. The patterns are nine patch or basket weave blocks. Backing fabric, batting and patterns will be available at the November meeting.

Program: Audrey Hale updated us on the workshops and brought samples showing what each workshop will accomplish. She reminded members of the new refund policy and using the waitlists. Even though current program committee members HAVE NOT volunteered for next year, they have managed to book Sharon Pedersen for a workshop in November 2008.

Trips/Retreats: Sue Artuso reminded us of the deposit cheque due today for the Houston trip.

Avril's friend Betty showed two old quilt tops believed to be made circa 1850, belonging to a lady from Ontario. They will be dated and evaluated at the Textile Museum in Toronto, Ontario.

This concluded the business portion of the meeting and the Garage Sale was opened for the eager bargain hunters.

## NQG Block of the Month - December 2007

This month three of the blocks can be used to make a nice Christmas table runner as shown on the directions below. Therefore for every three blocks that are turned in, one name will be picked to receive these blocks, so we should have more than one winner.

1. Cut: 1 Christmas print square  $4\frac{1}{2}'' \times 4\frac{1}{2}''$  for A

4 red squares  $2\frac{1}{2}'' \times 2\frac{1}{2}''$  and draw a line from corner to corner on the wrong side of each square for B (Do not cut)

To piece the center  $4\frac{1}{2}'' \times 4\frac{1}{2}''$  block, place a B square right sides together on one corner of A and stitch on the drawn line, trim seam  $\frac{1}{4}''$ , press B open. Repeat with a B square on each of the remaining corners of A.

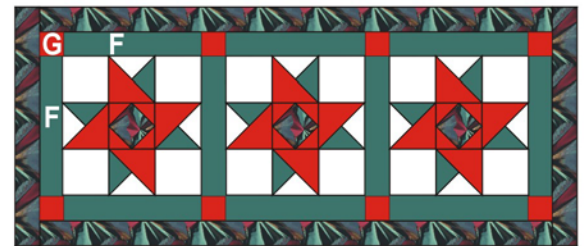

2. Cut: 2 squares of red  $5'' \times 5''$ ; cut each square in half on one diagonal to make four C triangles

1 square  $5\frac{1}{2}'' \times 5\frac{1}{2}''$  each of the white on white print and of the green; cut each square on both diagonals to make 4 white & 4 green D triangles

Using a precise  $\frac{1}{4}''$  seam, sew each green D to a white D to make 4 D triangles and press towards the darker fabric. Sew each C to a D triangle, press toward C

3. Cut: 4 squares  $4\frac{1}{2}'' \times 4\frac{1}{2}''$  of white on white to make E squares

Sew together to make the block as shown.

### How to Sew the Runner:

1. Prepare three December blocks as above
2. Cut ten  $2\frac{1}{2}'' \times 12\frac{1}{2}''$  strips of green for F sashing strips. Join the three blocks with the F strips, beginning and ending with F; press seams toward F
3. Cut eight  $2\frac{1}{2}'' \times 2\frac{1}{2}''$  squares of red for G sashing squares
4. Join four G squares with three F strips to make a border strip twice, sew to make a border to top and bottom of the block strip, press seams toward strips
5. Cut and piece two strips each  $3'' \times 22''$  and  $3'' \times 44\frac{1}{2}''$  of Christmas print. Sew the longer strips to opposite long sides and shorter strips to the short ends of the pieced center; press seams toward strips to complete the pieced top.
6. Sandwich batting between the completed top and prepared backing piece; pin and quilt as desired by hand or machine.
